ABOUT IPGGC

International Problem Gambling and Gaming Certification Organization

Formerly known as IGCCB - International Gambling Counselor Certification Board

IPGGC
International Problem Gambling and Gaming Certification Organization

Certifications to Better Serve the Gambling and Gaming Support Community

The International Problem Gambling and Gaming Certification Organization was established in 1984 to offer voluntary international certifications. These certifications assure a body of qualified and competent professionals working with individuals with at-risk, problematic, and disordered gambling and their families/concerned others.

Certification standards established by the IPGGC represent the current best practices in the field of disordered gambling and gaming treatment.
